

The No Excuses University Network of Schools is proud to partner with Friends and Family Community Connection in the NEU mission to build Shepherd's House, a NEU campus for orphans and children in need in Gressier, Haiti. Our goal is for every school in the network to unite and make this a reality. NEU @ Stanton through Student Leadership will be facilitating blanket making to support the health and welfare of students at this new school in Haiti.

Please join us **FRIDAY FEB 7, 2020 at 2:15** in the cafeteria to participate in our service of blanket making. Our goal is to make 20 blankets to send to the school. Student leadership will support but all students and parents are encouraged and invited to help.

If you are able to attend, please RSVP BELOW
